

## Vicious Vikings?

This term we are investigating whether the Vikings were killers or craftsmen. We will learn about where they came from, settled and their way of life. Our literacy lessons will be linked to this topic – our first text is *How to Train a Dragon* by Cressida Cowell; we will use this to further develop our use of description, punctuation and paragraphs. In art we will look at the art of various illustrators and develop our use of pen and ink to illustrate Viking sagas.

Within maths we are continuing to develop our multiplication skills and transferring them to bigger numbers. Later in the term we will be moving towards the topic of measurement and learning about money and length.

Our science topic this term is plants- we will be learning about different parts of a plant and their functions. We will investigate what plants need in order to survive and thrive.

In R.E we continue to explore Christianity and are focusing on answering the big question 'What is the good news Jesus brings?'
