1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- › Increase the extent to which pupils with disabilities can participate in the curriculum
- › Improve the physical environment of the school to enable pupils with disabilities to take better advantage of education, benefits, facilities and services provided
- › Improve the availability of accessible information to pupils with disabilities

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

Our school FAITH values promote and support our inclusive community: Forgiveness, Acceptance, Hope. Inspiration and Hope. Our school community is one which celebrates and nurtures the individual. We make reasonable adjustments to enable all members and stakeholders of our school community to have fair access and opportunities. We have held Inclusion School Flagship Status since 2017 (IQM). This rigorous progress of review and assessment involves ongoing evaluation. A requirement of this status is engagement with other settings including specialist provisions to extend our experience, knowledge and understanding of provision for a wide range of disabilities, barriers and differences.

Our school is committed to ensuring all staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

Our school supports any available partnerships to develop and implement the plan. We work closely as required with specialist teaching service, LIFT, KCC regional SEND partners, Aquila MAT Inclusion forum, Educational Psychology, Community Pediatrics, NELFT, Speech and Language, Occupational Therapy, etc.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.
