

Elms should be very proud of themselves - they have impressed Elms Staff with their hard work and eagerness to do their personal best in every lesson throughout Term 1 and we are sure they will continue in the same way as we move through the year.

Elms are continuing to build and secure the skills they started to develop last term, working hard to ensure the use of description and correct sentence structure in writing and applying addition and subtraction knowledge to problem solving in mathematics.

Our topic continues to be 'The Romans' and where possible we will link our learning to this. We are hoping to be able to visit the Roman Museum in Canterbury at some point to enrich our learning. As we move through the term we will begin to think about Christmas - we will be preparing to lead a very exciting Nativity Service with other classes which will include singing, poetry and we hope some solo performances from members of our class. We also have some very exciting sculpture lessons planned within our Art lessons.

We have a very busy term planned which we are sure the children will enjoy!
