

Willows Class (Year 1 and Year 2)

Our topic for this term is Percy The Park Keeper

Percy the Park Keeper is a very busy man who has lots of adventures.

Our learning adventures this term will be exploring the history of our local park at Kearsney Abbey and exploring how it has changed and developed over the years. We will also be taking inspiration from the park to develop our learning in science to investigate what plants would be suitable in parks and what they need to survive.

Our art will be looking at sculpture and we will be learning about the artists Andy Goldsworthy and Barbara Hepworth as inspiration to create our own pieces of artwork by using clay and natural resources found in nature in and around the park.

In literacy we will be writing descriptive poetry and non fiction information to write poems and information leaflets about parks and plants. RE this term will be focusing on the world religion of Islam and what it is to be a Muslim.

We will continue developing our mathematical skills in addition, subtraction, multiplication and division and we will be learning how to use different types of measurement.
