

This term we are continuing to find out about Invaders and Settlers. We are finding out about our country, where it is and what it is like in geography. We are going to find out more about who invaded and settled in Britain as part of our history work. We are going to develop our sewing skills further in design technology and art and will think about the question 'Can sewing be Art?'

Throughout the term we will be developing our reading and writing skills, this term we will pay particular attention to writing in full sentences, including detail and description to add interest to our work. We will also be thinking about how we can use paragraphs to structure our writing.

In mathematics we are continuing to build on our written and mental methods for addition and subtractions to further our skills.

Within science we are going to be answering the question 'Are all rocks and soils the same?'

In our religious education lessons we are going to be exploring the question 'What is important for Sikh people?'

Within computing we are going to learn about algorithms.
